## DETAILED ACTION

### **ART REJECTION:**

#### ***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-28 are rejected under 35 U.S.C. 102(b) as being anticipated by Ito et al(6,693,999).

-- In considering claims 1-28, the claimed subject matter that is met by Ito et al(Ito) includes:

1) the user calling a remote server from a first telephone, the controller providing information regarding the security system; the exchange of second information, and server providing third information to the controller function is met by the portable telephone(101) being utilized to communicate with the home network(108) via remote operation adaptor(106, column 3, lines 38-45) so as to receive information pertaining to the status and control of various appliances in the network(see: column 5, lines 4 et seq);

2) the configuration program for receiving commands and system data, determining appropriate configuration data, and send configuration data to the security system is met by the network(108) receiving commands from the user and configuring the system as desired(see: column 5, lines 4 et seq);

3) the program supporting voice processing is met by the command fro the user being voice commands(see: column 3, lines 16-21);

4) the program structured in menu format is met by the browser for displaying home pages for customer programs(see: column 4, lines 10-25).
